ALEXANDRA ORLANDO, 2008 OLYMPIAN IN RHYTHMIC GYMNASTICS AND MULTIPLE CAN FUND RECIPIENT, SHARING THE IMPACT THE FUND HAS HAD ON HER CAREER. ALEXANDRA ALSO CELEBRATED HER MOTHER WITH A 3 WORDS #CANVAS PAINTING. THE PROGRAM INVITES CAN FUND DONORS TO RECOGNIZE A PERSON WHO HAS HAD AN IMPACT ON THEIR PERSONAL SUCCESS THROUGH A PIECE OF ARTWORK THAT IS MAILED DIRECTLY TO THAT PERSON: THREE WORDS THAT EMBODY THIS PERSON TO THE CAN FUND DONOR THAT ARE PAINTED ON AN 8X8 ORIGINAL PAINTING BY ARTIST JANE ROOS.

Who has impacted you? Now share three words that embody who this person is to you. These three words are then featured on an original painting by artist Jane Roos as a gift for the person being honoured through their donation to CAN Fund. CAN Fund launched this new program in July, called "Build Success By Celebrating the Impact of Others", geared towards raising direct funding for Canadian athletes. At the launch event, the people who were being honoured for their impact were given their paintings that were revealed as a surprise gift by the person who was celebrating them. A couple of nights later CAN Fund hosted another special evening celebrating Ron MacLean, acknowledging him for the ten Olympic Games he has hosted and his impact on sport in Canada. Ron was the first recipient chosen for the CAN Fund Impact Award. At both events many Canadian Olympic Athletes and CAN Fund donors were also on hand.
